

ODYSSEY 1982 is respectfully dedicated to Anton Pross Albert Jullivan who are retiring from their teaching duties May God grant them health, contentment, and happy memories of their years at E. D. Feehan High School

#### EDITOR'S MESSAGE

The 1982 edition of "The Odyssey" was assembled by a small group of diligent, dedicated students and staff.

Our apologies to anyone we may have missed and to those whose

writeups had to be changed or shortened.

We would like to thank the following people for their contributions to the Yearbook:

Mrs. Dlouhy who did 99.9% of all the typing - she is a spectacular

Lady.

Wilson Wong, Jeff Sarich and all other photographers for their line work.

Shawn Fehrenbach for his artistic ability and sharp wit illustrated

in his staff caricatures.

Dale Terry for his lovely script writing which adds beauty to the pages.

Inene Gadzella for designing the cover of the Yearbook.

All those who contributed their writing efforts in their poetry. Mr. David Klaff and the staff at the Western Development Museum for use of their facilities for S.R.C. photos.

Finally, Mrs. Lomheim and Miss Rydzik, our staff advisors and the Yearbook staff for all their hard work in making this edition a success.

Sincerest wishes are extended to Mr. Sullivan and Mr. Gross and good luck to Judy Shirley, the editor next year.

And be a friend to man."

## Principal's Message

What is a yearbook? Why do we value it so highly? I suppose it is because a yearbook chronicles all those things which constitute school spirit.

I never cease to be amazed by the commitment of both students and staff to the life of the school. If one browses through the pages and counts up the time involved pursuing these activities, one quickly realizes that school spirit is not accidental; it takes dedication.

There have been several notable highlights during the '81 - '82 academic year. Firstly, Maria Fortugno, one of our '81 grads was awarded a Governor General's Medal; later in the year our Senior Girls Volleyball Team brought the first girls' Provincial Championship to Feehan. Last but not least, we said goodbye to two teachers, Albert Sullivan and Anton Gross, who have given years of dedicated service to Feehan students and who superannuated this year. We wish them a long and healthy retirement.

Our special good wishes go to our 1982 Grads. We wish them every blessing and success in the years ahead.

Thanks also to the dedicated group of teachers and students who have labored diligently to put this Volume together for our enjoyment.

### Senior Ring and Senior Pin

We would like to thank everyone for a wonderful and exciting year. Because of your cooperation, it has been successful. We have collected many cherisable memories. Many special thanks go to Mr. Welsh and Mr. Calyniuk, for all their help.

We wish good luck to Craig and Camille and sincerely hope that next year will be E.D. Teehan's best.

Lynn % Dale

This has been our most memorable year at Feehan. Enough thanks cannot be given to all the people in the house of Adenauer who have helped make us Number One. We would like to extend special thanks to Ron and Lena, our assistants, and wish next year's leaders, Trent and Carol, all the best. Good luck in the future and keep Adenauer on top.

Ron and Susanne

Our '81 - '82 year proved to be very successful. We had a lot of fun and enjoyed being your house leaders. We'd like to thank everyone for their participation, and special thanks to to our assistants, Camille Kulyk and William Stewart, for their extra help. We'd like to wish Celine and Gord the best of luck next year. We know that the house of Kennedy will continue to be the best in Feehan!

Don & Gisele

Being the house leaders for Roncalli, we are greatly appreciative for being given the chance to represent our fellow students. We received good support from our house, and the spirit present at different functions was overwhelming. We would like to wish good luck to next year's house leaders, Carolyn and Leo. We're sure they will continue to keep Roncalli's spirit alive and continue to make it the best house ever. Good luck to all teachers who are leaving us and to our fellow graduates.

Kim & Dan

The year has quickly drawn to a close, and we would like to thank all those who have supported the house of Vanier. Todd and Tracy have been a great help to us. It has been an honor to work on the S.R.C. Good luck to Kathy and Rick in serving the house of Vanier in '82 - '83. Have a good summer!

### Live for Today

The load of tommorrow, added to that of yesterday, carried today, is what makes life a challenge.

Shut out the future, as tightly as the past; the life of the present, lived earnestly without a forward looking thought, is the only thought for the future.

Don't worry about tommorrow and yesterday, for yesterday is gone, and tommorrow will never come, live today to its fullest for it, too, will never be here again.

#### What is Love?

Love is sharing. Love is whispering. Love is caring.

Love is thinking. Love is tears. Love is music, to my ears.

Love is telling you I care. Love is quiet like a prayer.

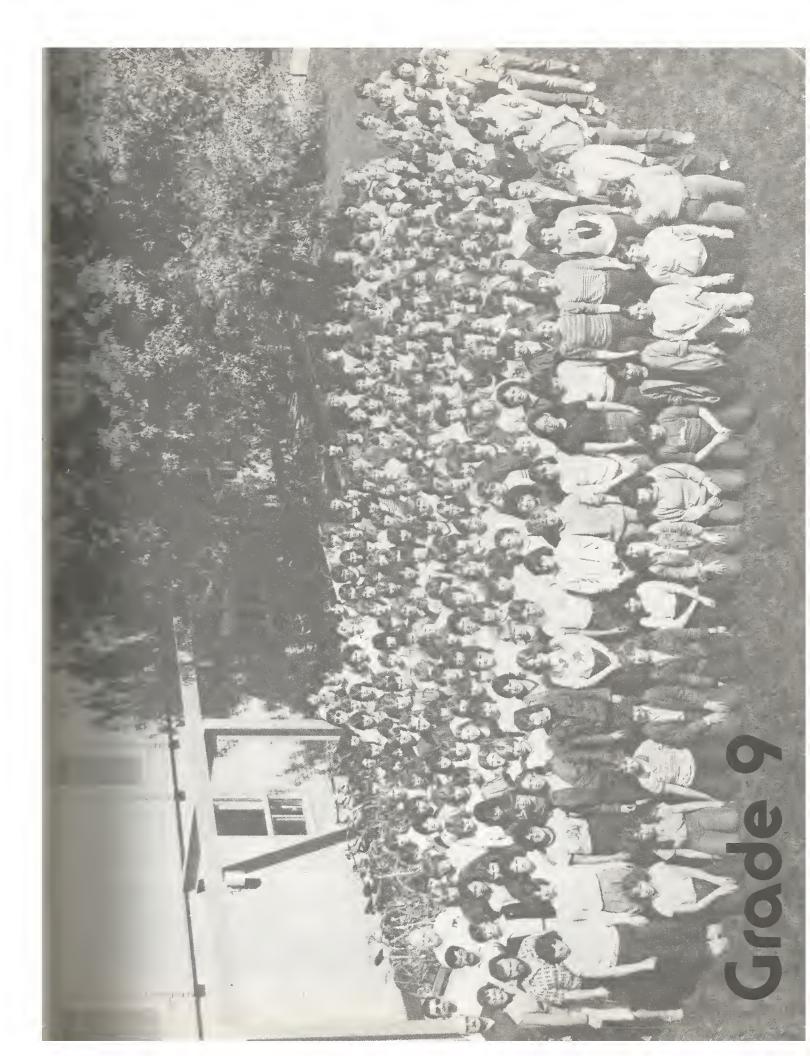

Love is you. and love is me.

#### BJOLOGY

In Biology we learn the facts of life, and human functions. The Medulla Oblongata and the heart with all its junctions.

"My blood sample won't coagulate!" Is yelled across the room. The Boa Fund is almost done, I fear impending doom.

A rattlesnake, I could relate to, if I owned a gun. But Dziadyk claims an eight Loot boa is a lot more fur.

If plant life, snakes and blood clots are those that interest you, Biology is what you need sign up one year or two.

### CRIPPLED CHILDREN'S

#### CHRISTMAS PARTY FOR HANDICAPPED CHILDREN

Feehan's annual Christmas Party for Handicapped Children was held on the afternoon of Monday, December 15. The gymnasium was delightfully decorated with Christmas ornaments, stockings, murals, piñatas and balloons — all products of many hours of effort by the Christian Ethics grade twelve students.

The Grade 12 students received their guests from various schools in the city. Shortly after, everyone participated in Christmas carols, adding to the already festive mood. The "tumbling clowns" entertained the children with gymnastics, after which games were enjoyed, and excited children received prizes for their efforts.

Mrs. Chad, our "pet lion" helped involve the children in dance and song. The climax of the party was the arrival of the surprise visitor, none other than Santa Claus, who, with the help of his elves, distributed gifts to each of the children.

Lunch was prepared by Grade 12 students, and enjoyed by all. Then, goodbyes were said as each child received their Christmas stocking, one of many momentos of the special occasion.

## BBWT

April 3rd was a night of comedy as the lights went on for F.C.T.V., two hours of comedy put on by the students of E. D. Feehan. Brian Lacoursiere and Dianne Reis were the producers and the directors were Mr. Bomok and Brian Lacoursiere. The skits included a classical rock opera, the MacKenzie brothers from the Great White North, and a presentation by Count Floyd, a live appearance of the Super Dave Osborne, and hockey coverage between Russia and Canada.

## Blood Drive

Since its beginnings two years ago, the Blood Drive has become an annual event. The high schools compete for the coveted "Vampire Trophy" by trying to collect the most blood — no matter what the method of obtaining it!! This year Feehan came up strong (as usual) with over 60% donating to win the trophy once again.

This year, the chosen destination for the Easter Tour was Greece. Under the supervision of Bonnie and Gordon Klimek, nineteen (now penniless) Feehan

students set off for twelve fun-filled days in Europe.

Their first stop was in London, England where they toured Windsor Castle. Following this, they travelled to Athens and began their tour of the country. In the next few days they travelled by bus to some of the ancient ruins of Greece, including the Acropolis of Athens and the first Olympic Stadium in Olympia. The tour ended with a two day stay on the Island of Aegina, just off the Greek Coast.

#### SENIOR

This year's edition of the Senior Trojans had their ups and downs. After a strong first half which saw the Trojans chosen to represent Saskatoon in B.R.I.T., the team faltered somewhat in the second halfand wound up in sixth position in the nine teams league. Barry Miller won the city scoring title as a Grade 11. With only 2 graduates on the team this year, next year looks very promising. The team's accomplishments were numerous. They won the Hanley & Clavet Tournaments (the Clavet tournament had the top 4 girl's teams in the province present), Consolation winners in W.M.G.I.T., and placed first in the final league standing with an all time best record of 14-2 (the girls were undefeated in the second half.) Individual accomplishments were also numerous. Lori Hrycuik and Eillen Kramchynsky were named to an all star team with Eileen also receiving the tournament's M.V.P. award. These 2 girls also ended up fifth & sixth in the scoring race (even though Lori missed 2 league games).

The city final ended their successful year with a loss to Walter Murray by 2 pts. But the whole team were winners over all. The 10 girls plus the 2 managers, Camille Kulyk & Connie Breckner, were by far the finest individuals a coach can ever hope to work with and I would like to thank them all.

To the grads, thank you and good luck in your future endeavours. To the 5 returning girls, next year could be as successful as this year, with some work and effort.

## senior girls' volleyball

Senior Girls' Volleyball

This is the first time in Feehan's history that a girls' team has won a provincial championship. With a record of 15-1 in league play, the senior girls caused havoc for every team they met. In tournament play, they became the 2nd city team in the history of the competition to win the U.of S. High School Tournament. They were winners at the Yorkton Tournament and for one time only, had to settle for the silver medal at the Mount Royal Trounament, losing to Regina Campbell. Somewhere deep inside, the girls found what they needed to win and did so, quite handily at the Provincial play-offs where they were once again pitted against Regina's Campbell Collegiate. The three graduating students, Donna Karol, Sherry Rayburn and Sheila Lang will be missed however next year's team should quite easily continue this winning form. Our thanks go to Brenda Kulyk and Terry Crule, team managers, and to our fans who have supported us so well.

#### The Perfect Pine

The branches are bare
Awkwardly flaring out to form the perfect pine.
Slowly, inch by inch, it clothes itself
in immitation silver and electric stars.
But, in the end is a masterpiece.
Its scrawny trunk is hidden by thousands
of presents wrapped in magnificent
reds and greens, which anxiously await their discovery.
It is an unpredictable creation.

#### FACADE

Beauty is a rose in bloom.

Its polished lovliness increasing until ripe.
But our gaze covers only the surface.

The underlying complexity is well protected, until we confront reality and slowly peel away the colorful petals.

Discouraged at the awareness that nothing substantial remains underneath. For superficial beauty is without value. Our melancholy proves that if it is not absolute, Beauty is worthless.

#### SCHOOL DAZE

I go to school and sniff and wheeze
And Someone's always sure to sneeze
And tell me, in accusing terms
I'm spreading all my horrid germs.
But if I stay at home in bed
To rest my weary, aching head,
My teacher dear is sure to scold:
"You stayed home sick? With just a cold?"

#### The Candle

The candle flickered softly, holding onto its last breath of life. It was a matter of minutes now; soon it would burn down.

No longer would it be the strong, burning flame it had once been.

It must have known this, for tears of wax flowed freely.

Its time was expired.

Now with the excited breath of a young child, its life had ended.

ALEDICTORY ADDRESS JUNE 18, 1982

Our Excellency, Reverend Fathers, Mr. President, Parents, Teachers, Friends and
Tellow Graduates.

We have all long awaited this day, in hopeful anticipation of what lies ahead for each of us.

Thus far we have travelled the road of life together, taking the good times with an open heart and enduring the bad time, not letting them hinder ourselves. Now it is time to decide which fork in the road we will take in our journey — a very important decision. To those of us who will be going on to further our education, good luck — and to the rest of us. all the best.

As Mr. Cooke hands us our diploma, many of us will be filled with the conflicting emotions of joy and sadness. Joy in the sense that we have successfully completed these four years of high school and are now ready to take on the world. But it's sad to know that today may be the last time we are together as a family.

In years to come when we look at our diploma we should be reminded of many high school memories. We will have forgotten the bad times only to hold more fondly the good times.

Ah! The good times; singing in the hallways, going to the small gym to watch people pass out during the blood drive, smoke shows in front of the school, listening to your car stereo from your English class even if the classroom has no windows.

I now turn to thank those who have supported us this far — to our parents for their love, understanding and endless encouragement, without which we would not have made it this far. To our teachers, for the positive influence they have been in guiding us through our school years, to this, our Graduation Day. And of course to the Grade Twelve Christian Ethics team, for their attempts to prepare us for our roles as Christian adults.

So, in closing I would like to read a poem written by one of the graduates who wishes to remain anonymous.

How can a bird fly?
Why is the sky blue?
What's a henway?
Why do I ask questions?
I like to learn

I can't leave school now,
I have too much to learn.
My eyes, they're opening for the first time.
I can see.

Don't make me leave Plene! I'll be good.
It's horrible out there they say.
You'll let me stay,
Won't you?

No,
I'm not afraid to go out there.
I'm all grown up!
(Well, maybe a bit scared.)
But that's not why I want to stay.

OK .... I'll go.

If I go, can I come back?

Hey! It's not bad, I like it.

Thanks!

Thanks for reading!
